

1
Explanation of what remains the same and what will change for you in the new pension scheme.

3
Uniform Pension Overview containing your pension and that of any surviving dependants up to and including 2025.

5
In October, we will be organizing several webinars with information about the new pension scheme.

7
Personal overview that provides insight into your expected pension under the current scheme. And insight into what your pension will look like under the new pension scheme.

9
In the new planner, you can make choices based on the new pension scheme and submit changes if you wish.

11
During this period, we will assist you in making two choices that you need to make.

1. Provisional choice if you are 58 years of age or older for a variable or fixed pension
2. Choice of your risk profile for investing

This is the timeline for our new pension scheme.
The new pension scheme is scheduled to take effect on January 1, 2027.

2
Up-to-date information about the transition to the new pension scheme.

4
Explanation of the new scheme. What choices you will have to make in the future. You will also get an initial insight into the amount of your new pension based on examples.

6
This magazine covers all the important issues that will be relevant in the coming period, such as an explanation of the initial estimate of your new pension that you will receive at the end of November. It also explains the choices you will have to make in 2027.

8
Explanation of the choices you can (or must) make.

10
Final overview of your new pension.
